

Perry County - Village of Crooksville Neighborhood Revitalization Grant Community Meeting #1 of 2

Thursday, April 18th, 2019 at 6:00 PM

The Community Development staff at Hocking Athens Perry Community Action (HAPCAP) is working with the Perry County Commissioners and the Village of Crooksville to secure a competitive grant through the Ohio Development Services Agency. If funded, this grant can be used to perform a wide variety of community improvement projects.

We are asking that residents of the Village of Crooksville attend the community meetings so that they can suggest and prioritize their ideas for improvements that are most needed in their Community. Examples of eligible projects include park improvements, playground equipment, sidewalk improvements, ADA curb ramps, street repairs, storm drainage upgrades, fire protection and demolition of unsafe buildings.

Our first informational community meeting will be held on:

Thursday April 18th at 6pm@
Village of Crooksville Council Chambers
98 South Buckeye Street
Crooksville Ohio 43731

It is critical that the Village of Crooksville residents attend and participate in order to strengthen the grant application! We need your input!

Questions? Please contact the Community Development Department at Hocking Athens Perry Community Action.
